VOLUME IX

SPANISH FORK, UTAH, THURSDAY, MAY 5, 1910

NUMBER 16

BOOKS ARE CAPTURED

Whitehead, of Leland, returned from Salt Lake last Friday evening where he has been for the past days looking up a couple of crooks who stole a set of wagon wheels from him in August of last year.

Whitehead and a deputy Sheriff of Salt Lake County arrested one of them Thursday and ran the other, a tractor by the name of Ross, to the following afternoon. Both fellows are in jail at Salt Lake.

YOUNG MAN HAS NARROW ESCAPE

Larsen suffered rather severely from the pranks of a colt he was breaking on Saturday evening. He was riding by the D. and R. G. depot when the colt became frightened and plunged to the fence, throwing the boy over his head. The shock rendered him unconscious for several minutes and would have died had not he been picked up and brought home.

GENTLEMAN IS INJURED

Friday afternoon while George Wilkins was returning home from his office in his invalid's chair, an accident that might have been serious. A small boy came up from behind and pushed the chair as fast as he could, when passing the barber the chair turned suddenly and fell into the building throwing Mr. Wilkins to the pavement. Friends picked him up and he was soon taken home where he is now recovering from the effects of the fall.

Attention

All observe Decoration Day. The honor of the honored dead. The citizens of Spanish Fork, Lake Shore, and Leland are earnestly requested to attend a general citizens' meeting at the City Pavilion, Wednesday evening, May 11, at 8 o'clock, for the purpose of naming necessary committees to prepare suitable exercises for Decoration Day.

BIKE LAWS WILL BE ENFORCED

Marshall informs us that hereafter the laws relating to bicycle riding will be rigidly enforced in this city. He states that it will be a misdemeanor to ride a bicycle between dawn and sunrise without a light, or a bicycle without a bell or gong to warn people of approach, or to ride a bicycle on the sidewalk on Main Street between First South and Fourth Street.

The Bachelor. A bachelor is a man with enough sense in his judgment of women to let it be Puck.

Notice

Persons of the Spanish Fork City works are hereby notified that sprinkling of lawns, gardens or lawns will be allowed after the 22nd April, without a permit from the superintendent of water works, and no fee will be given for sprinkling between the hours of 8 a. m. and 5 p. m. Further notice is also given that all defective pipes, hydrants, traps must be immediately repaired. No waste of water will be allowed in any form whatever. All those who wish to have repair work done can call on David Boyack. It has now become necessary that the above regulations be enforced, and it is the duty of the superintendent of water works to close the taps off from those that fail to comply with same.

LOCAL JOTTINGS

Willis H. Johnson is in town again. He says he will probably remain in Spanish Fork this summer.

Miss Katharine Evans went to Salt Lake last Saturday morning, where she will probably remain for some time.

George King and Charles Wood returned Monday evening from Verde, where they have been shearing sheep.

H. R. O'Neil with the Standard Electric Company, came down from Salt Lake to help take charge of the work.

Mrs. M. M. Thomas left last Friday for Garfield, where she was called by the sickness of her daughter, Mrs. Mary Stevenson. Mrs. Stevenson is reported to be seriously ill.

The Farmers Co-op. have recently added a first-class office to their store. Mr. Lewis, the book-keeper, tells us this fills a long felt want, and we have no reason to doubt his word.

Brother John Bigley, who has been suffering for over two years, will go to Salt Lake Saturday to make preparations to go through the Salt Lake Temple, Monday, to secure the blessing he has so long desired.

A touch of rheumatism, or a tinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by all dealers.

Tuesday morning, while Will Grotegut was preparing to fill the sprinkler in front of the Commercial Bank, an automobile backed into them. The team became frightened and ran as far as Pack's Pavilion, where they were stopped by young Lewis Thomas. It seems that even the horses don't care to be on the water wagon.

Thousands of city people are now counting the hours when they can leave for some lake or river for an outing, where they can fight mosquitos and bugs for a few days and perhaps get drowned. It is a great thing and many of our ancestors lived and died not knowing what a vacation or an outing meant.

Mr. and Mrs. D. A. Stone wishes to express their greatest appreciation to all those who have so kindly and willingly extended a loving hand during the sickness and death of their loving son Augustin, who departed this life April 18, 1910. Not only those who did aid, but also the many friends who kept the telephone busy offering helping hands and we appreciate the fact that a "Friend in need is a friend indeed."

Wednesday the Spanish Fork base ball team went to Lehi to play the first league game. Although some of the material is new we expect, before the season is over to have a team of the first rank. We cannot expect to develop a team in a day that is equal to cope with the old leaguers of the county, but we can, with persistent work develop a team that will be able to hold its end with the best of them. At present the team consists of J. Bowen, Davis, Hayes, Thomas, Hall, Turner, Emerson, Bryan, Rife and Christenson. Christenson, the crack High School catcher, will be tried out at Lehi and we expect him to make good.

Sister Leah V. Holt, who has been laboring as a missionary in the Southern States Mission, has returned home, having filled an honorable mission. She left Salt Lake City November 4, 1908. She was called to labor in the Ohio mission. Owing to her congenial and lovable disposition she won the esteem of all whom she labored with. She also labored as stenographer for the Southern States Mission for fourteen months. The last two months she labored in Georgia. Although Sister Leah was the youngest lady missionary in the Southern States Mission, yet she did a noble work. Her humbleness of heart, and her obedience to those placed over her, has made her labors very successful. She left a noble record behind her, one that can never be erased by time or dimmed by age, because her gentle deeds of kindness and pleasant words have been freely given, and shall surely bring forth much good. Her many friends welcome her home.

UTAH COUNTY LEAGUE OPENED WEDNESDAY

Large Scores Feature In Every Game Springville Gets Goose Egg Spanish Fork Badly Beaten Linden Flies Up

Wednesday afternoon May 4th, the Utah County Base Ball League opened, and the fans were treated to the first exhibition of fast playing this year.

The weather was anything but favorable, each game was played in a drizzling rain, making it cold and disagreeable for the players, which probably was the cause of the sluggish playing.

Spanish Fork vs. Lehi

The Lehi team defeated the Spanish Fork team by the score of 2 to 15. The Spanish Fork boys seemed to have a bad case of stage fright which was the cause of the easy victory for Lehi. The outfield played a good game and Christenson the High School catcher made his initial appearance in fast company and played a good game.

Provo vs. Springville

Provo defeated Springville by the score of 10 to 0. Singletoch pitched for

Funeral of a Little Child

Funeral services were held Thursday afternoon at the home of Mr. and Mrs. Alma Tilley of Leland over the remains of their little ten-months-old daughter, Ethel Christine, who died Tuesday of whooping cough and pneumonia.

Bishop Koyle of Leland presided over the services. The choir, led by A. R. Creer, sang, "We Thank Thee O God for a Prophet," "O, My Father" and "Farewell All Earthly Honors." The speakers were W. O. Creer, Jacob Robertson, Bishop R. W. McKell and Bishop Koyle, all of whom spoke beautiful words of hope and consolation.

"When death strikes down the innocent and young, for every fragile form from which he lets the parting spirit free, a hundred virtues rise, in shapes of mercy, charity, and love, to walk the world and bless it. Of every tear that sorrowing mortals shed on such green graves, some good is born, some gentler nature come."

The Close of School

Thursday the public schools of this city closed their work and in the afternoon each grade in and of itself resolved to make the occasion one grand jollification, celebrating with singing, reciting, refreshments etc.

This year has been an exceptionally good one in attendance, punctuality and class work. Over 1300 students were enrolled, making the largest school district in the county.

The High School consisting of over 100 pupils will continue work for two weeks more.

Chickens Wanted—See Rob. Boyack.

For good pasturing for horses see Oliver Swenson.

For Sale—Fine driving team. Apply to Wm. Ferguson.

Robert Olson and family, of Winter Quarters, came down Wednesday for a few days visit.

Arthur Vance, a veterinary surgeon of Provo, will make regular trips to Spanish Fork on Fridays and will remain until Saturday morning when he will leave for Payson. On Fridays he can be found at Wren's Livery.

If Women Only Knew

What a Heap of Happiness it Would Bring to Spanish Fork Homes. Hard to do housework with an aching back. Brings you hours of misery at leisure or at work. If women only knew the cause—that Backache pains come from sick kidneys. 'Twould save much needless woe. Doan's Kidney Pills cure sick kidneys.

Spanish Fork people endorse this: Mrs. Alfred Rees, Third Ward, Spanish Fork, Utah, says: "Since I publicly recommended Doan's Kidney Pills in 1907, I have taken them occasionally and they have kept me in good health. In the spring of the year I have mentioned, there were symptoms in evidence which plainly told me that my kidneys were out of order. I think the complaint was brought on by over-exertion during the time I was attending to my son. Doan's Kidney Pills, which I obtained at Larson's Drug Store, gave me almost immediate relief and gradually the symptoms of kidney trouble were driven from my system. I cannot recommend Doan's Kidney Pills too highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name Doan's—and take no other.

Latest and best imitation oak floor covering, or floor border for sale at Jex Lumber Co. Cheap.

Dr. O. T. Amyrauld, veterinary surgeon and dentist of Provo, will be in Spanish Fork, Friday afternoon from 1 to 3 at the Brown and Bell livery stable.

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one that uses it. Sold by all dealers.

Window plants for sale. R. M. Jex.

Saddle, bridle, blanket and spurs for sale. Earnest Williams.

White Pearl potatoes for sale—Ammon B. Simmons, Spanish Fork.

First class run-about automobile for sale, or will trade for horse and buggy. See J. Wahl, Spanish Fork.

Best and largest variety of screen doors ever carried by any one now in at the Jex Lumber Co.

FOR SALE—The old Oran Lewis place on 7th east and 4th north on Springville road, full city lot with all improvements, cheap. See Edward C. Christiansen.

For Maude Adams, Salt Lake, the D. & R. G. will sell round trip tickets May 7th, good returning May 8th. One fare for the round trip. For any further information call on local agent.

Chamberlain's Stomach and Liver Tablets will clear the sour stomach, sweeten the breath and create a healthy appetite. They promote the flow of gastric juice, thereby inducing good digestion. Sold by all dealers.

Year's Addition to World's Gold. South Africa contributed the greatest amount to the world's stock of gold in the last year. Its share being a little over \$150,000,000 the United States slightly less than \$100,000,000. Australia about \$80,000,000. Russia about \$25,000,000 and Mexico a little less than \$20,000,000.

Refrigerating Plants on Ships. During the season of navigation of 1908 there were 46 steamers fitted with mechanical refrigerating plants sailing from the port of Montreal, with a combined cold storage space of 1,195,556 cubic feet, and counting the total number of trips made by these steamers in the season, they rendered available a total cold storage space of 4,907,193 cubic feet. In addition, 19 steamers with cooled-air accommodation of 904,790 cubic feet were in commission.
